Dear Mr Eckerman

**Approval as an operator of a compliance scheme: WEEE Light Ltd**

The Environment Agency has approved your application as an operator of a compliance scheme under the Waste Electrical and Electronic Equipment Regulations 2006 (WEEE Regulations).

Your notice of approval is enclosed.

Your approval is subject to compliance with the conditions of approval in Regulation 43 of the WEEE Regulations. These are attached to your notice of approval. If you do not comply with the conditions of approval we may withdraw your approval. **You have one outstanding issue which is outlined in the attached list. You need to forward the additional information requested within 28 days.**

This approval does not replace any other environmental authorisations that you have. You must still comply with these and other relevant legislation.

This approval only applies to the above named scheme operator. You must notify the Environment Agency within 28 days of any changes to the details submitted with your application. If the scheme operator changes you may have to make a new application for accreditation.

If you have any specific queries about your approval or general queries regarding the Regulations please do not hesitate to contact me on 0114 280 0604.

Yours sincerely

**Michael Crebbin**
